It does not discriminate based on race, color, national, and ethnic origin in administration of its educational policies, financial aid, athletic, and other school-administered programs. The administration, however, reserves the right to dismiss or refuse admission to anyone unwilling to comply with the school's regulations and academic or behavioral standards. DCA is committed to providing a strong Christ-centered instructional program. Students admitted to DCA shall be protected from influences negatively affecting their well-being and educational process to the best of our ability.

### Mission and Mindset Statement

Destiny Christian Academy is a vibrant educational system that develops students from Pre-K through High School. In keeping with its Christ-centered mission, Destiny Christian Academy cultivates distinction by integrating academic excellence and Christian maturity.

Our school mission is to build remarkable students who will live out their adult lives as a blessing to God and others. Through the rigorous development of their spiritual, emotional, intellectual, and vocational life, our students are becoming more caring, competent, wise, and skillful. Students who are ready to navigate an ever-changing world.

A Destiny Christian Academy education cultivates a faithful worldview, with a mature commitment to Jesus Christ and the mission of God throughout the world. The liberal arts and college preparatory curriculum at Destiny Christian Academy are rooted in scripture and guided by the Holy Spirit, resulting in adult readiness and ethical courage.

A Destiny Christian Academy education offers a transformative academic and discipleship experience through dynamic classroom learning, chapel services, the arts, the sciences, athletics, and many prosocial opportunities to serve our local community and the world. Grateful to God, Destiny Christian Academy carries out its mission with responsible stewardship of our human, financial, and physical resources.

### Statement of Faith

God - We believe there is only one God, eternally existing in three equally divine Persons: the Father, the Son, and the Holy Spirit. The Father is God. The Son is God. The Holy Spirit is God. The Father is neither the Son nor the Holy Spirit. The Son is neither the Father nor the Holy Spirit. The Holy Spirit is neither the Father nor the Son.

Scripture - We believe the Bible—made up of the sixty-six books of the Old and New Testaments—is the verbally inspired Word of God, utterly authoritative, and without error in the original writings.

Creation - We believe our Triune God created the world, and all that is in it, unspoiled by sin, and that everything that he had made was very good.

Humanity - We believe that God created human beings, male and female, in his own image.

Sin - We believe that Adam, tempted by Satan, sinned by disobeying God and as a result of his sin, all human beings are alienated from God, corrupted in every aspect of their being (e.g., physically, mentally, volitionally, emotionally, spiritually) and condemned finally and irrevocably to death—apart from God's own gracious intervention.

Jesus Christ - We believe that Jesus Christ, the eternal Son, became human: fully God and fully human, one Person in two natures. We believe that he was born of the virgin Mary, lived a perfect and sinless life, was crucified, died, was buried, rose bodily from the dead, and ascended into heaven where he is now seated at the right hand of God the Father, exercising in heaven and on earth all of God's sovereign authority. We believe that Jesus Christ lived as our representative and died as our substitute to pay the penalty for our sin.

Salvation - We believe that salvation is by grace alone through faith alone in Christ alone. It is the free gift of God given to spiritually dead sinners who, through regeneration by the Holy Spirit, repent of their sins and trust in Christ alone for their salvation.

The Holy Spirit - We believe that the Holy Spirit is sent by the Father and the Son to glorify the Lord Jesus Christ and to convict the world of sin, righteousness, and judgment. The Holy Spirit indwells, guides, instructs, equips, revives, and empowers believers for Christ-like living and service.

The Church - We believe that the universal church is the body of Christ, manifest in local churches of which Christ is the only Head. The church is distinguished by her gospel message, her sacred ordinances—baptism and the Lord's Supper, her discipline, her great mission, and, above all, by her love of God, and by her members' love for one another and for the world.

The Return of Christ & The Resurrection - We believe in the personal, glorious, and bodily return of our Lord Jesus Christ to judge the world and consummate his kingdom. We believe in the bodily resurrection of both the just (to eternal blessedness) and the unjust (to eternal punishment).

Human Sexuality & Marriage - We believe God immutably creates each person as male or female. Rejecting one's biological sex rejects God's created design. We believe God designed marriage as a unique conjugal relationship joining one man and one woman in a single, exclusive, life-long union. God intends sexual intimacy to occur only between a man and a woman joined in marriage. We believe all forms of sexual immorality are sinful and offensive to God.

Sanctity of Human Life - We believe God endows all human life with inherent dignity at every stage of development, and it must be respected and protected from conception to natural death. Thus, the unjustified, intentional taking of human life before or after birth is sinful and offensive to God.

### Community of Christian Excellence

Destiny Christian Academy (DCA) is an aspiring and vibrant educational community motivated by love and learning. Situated in Sacramento, one of America's most important cities, DCA offers a student experience few others can. Our State Capital setting of commerce, government, and technology provides one of the finest missional learning incubators anywhere in the world. Everyone who works or learns at DCA considers it a great privilege.

Destiny Christian Academy is dedicated to producing students of promise who love the Lord. Our hope is to prepare remarkable young leaders who will live out their adult lives as a blessing to God and others. We want our students to develop the life-skills, vision, and humility to impact the world. DCA students, administration, staff, and faculty are all working together to achieve the dream of a Christ-centered school known for its academic excellence, spiritual vitality, and missional significance. By design, DCA upholds high biblical standards for its students, faculty, staff, and administration. We are unapologetic in our pursuit of a culture marked by Christian maturity and high academic standards.

The founding convictions of Destiny Christian Academy are rooted in the Lordship of Jesus Christ, and the transforming power of the Holy Spirit. For an educational community like DCA to flourish, its members must be committed to modeling Christ in a manner that will enhance spiritual growth and the common good. No matter what your starting point is spiritually you will be valued and loved. We want your relationship with Jesus Christ and your understanding of the Holy Spirit to grow while at DCA. Our students will

be presented with a positive view of the Church and its vital role in the world. Our School Motto is "Seek Ye First" and is based on Matthew 6:33. "Seek ye first the Kingdom of God and His righteousness and all these things will be added unto you." A second core bible verse that guides the entirety of our school is 1 Timothy 4:12; "Let no one look down on your youthfulness, but rather in faith, love, speech, conduct, and purity, show yourself an example of those who believe."

DCA is foremost a caring community that is committed to the physical, emotional, and social well-being of its students. Our campus community must be free from racial and ethnic discrimination in any form and safe from any form of sexual exploitation. We forbid any behaviors that may put our students at risk. DCA upholds a standard of honor and respect for the lives and heritage of all people. Bullying, racism, and sexual harassment in any form are forbidden at DCA and will result in strong corrective action. As a campus community we value prosocial behaviors as we seek to be an integral part of serving the needs of our neighborhoods and community.

As a DCA student you will be expected to practice good citizenship by having a healthy respect and appreciation for our country. You will be taught about the American struggle both past and present and how freedom in America came to be in hopes that you will live inspired throughout your adult life to access and promote America's prosperity and goodness.

We expect our students to maintain a lifestyle of integrity and modesty. Plagiarism, cheating, theft and similar kinds of dishonesty are detrimental to campus excellence and are not allowed at DCA in any form.

DCA believes in the New Testament standards for human sexual behavior and will actively promote and teach these biblical standards for family and sexuality. A member of the DCA community (student, faculty, staff, and administration) may not engage in pre-marital or extra-marital sexual behavior; the Bible reserves sex exclusively for marriage between one man and one woman. Prohibited sexual behavior also includes the use of pornography. Our commitment as a school community to New Testament-affirmed sexuality includes respect for the sanctity of the body in accordance with God's design for gender. DCA believes and teaches that one's birth sex is connected to the sanctity of the body in accordance with Scripture and that God created mankind in His image as either male or female. DCA is a pro-life learning community and will honor

and teach that human existence begins at conception and continues throughout all stages of elderly life.

Cultivating physical and emotional wholeness in all areas of your life as a student is central to the academic experience at DCA. Gambling, profanity, possession or use of alcohol, tobacco products, marijuana, vaping, nonprescription drugs and abuse of prescription drugs are all prohibited both on and off campus for our students.

You will, as a student or employee of DCA, be held accountable for your professionalism, academic effort and social behavior, but that accountability will always be guided by love and mercy. We are a Christian community full of grace that is working alongside students and parents to grow and develop young people into their maximum potential. We are all a work in progress.

As an aspirational Christian community, we expect everyone to respect these beliefs and not publicly disparage these beliefs (through social media or otherwise) while members of DCA. These beliefs are in accordance with our sponsoring denomination, the Assemblies of God. DCA has a rich and meaningful history as an ongoing organizational member of the Assemblies of God.

We are honored to have you as part of our DCA learning community.

### Matthew 18 Principle

DCA believes in the power of community and the unity that comes from the love of Jesus. Because we are all imperfect and broken and because we are also all very different from diverse backgrounds, issues and conflicts are inevitable. We believe strongly to faithfully follow the principle found in Matthew 18:15-17. If a parent or student has any problems or questions regarding the school, staff, or students, please go directly to the person involved. If you are unsure of how to apply this principle in your situation, please let us know, and we would be happy to assist. Let us avoid unedifying conversations and gossip that does not lead to restoration.

### ADMISSIONS POLICIES

#### Procedures

Parents or legal guardians of all prospective students should be aware of the admissions procedure when applying for student enrollment at DCA. This process verifies that students are a good fit for our school to ensure student success. General admissions guidelines include a desire for

what DCA offers as a Christian school, character/academic references, and a minimum GPA of a 2.0.

- Parents or legal guardians must submit an application for approval. All new students must provide a behavioral log and official copy of their transcripts for any school work already completed and submit character/academic references.
- After reviewing the completed application packet, the admissions office will schedule an appointment for the prospective student to be interviewed and evaluated for curriculum readiness and placement. Before the interview, students should prepare to answer questions regarding their spiritual background and their reasons for wanting to attend DCA.
- Kindergarten students must be five (5) years of age by September 1st of the enrolling year. Students who are four (4) years old with a birthday during the month of September are permitted to assess to determine readiness. No student with a birthday after September 30th will be admitted into Kindergarten.

Immunization records are checked prior to the first day of school to ensure each student is current in the mandated vaccination requirements. Students entering kindergarten and seventh grade must have the necessary mandated immunization records on file with DCA in order to attend school. California state law requires that all students have a Report of Health Examination completed up to eighteen months prior to entry into first grade or within ninety days thereafter. For exemptions: an up-to-date immunization record of a medical exemption through the state's CAIR-ME system that meets the requirements of SB 276 and SB 277 must be presented at the time of enrollment. No other forms of exemption will be recognized at DCA.

The school principal should be notified at least 30 days in advance of the final date a student will attend school. All non-tuition charges, related to the student, must be paid in full up to the date of withdrawal. ### Tuition Obligation

**Withdrawals:** Regardless of the payment plan option, when a student terminates his/her attendance at Destiny Christian Academy, on or after July 1, 2024, all unpaid tuition, fees, and other school charges become immediately due and payable before the student's records will be forwarded to the new school.

- **30-Day Notice:** To initiate a withdrawal from Destiny Christian Academy, a completed withdrawal form is required to be submitted to the campus-specific office at least 30 days prior to the final date a student will attend school. Parents are responsible for all tuition and fees due within the 30 days (prior to the last day of school).

**Dismissals:** If Destiny Christian Academy should dismiss a student, this dismissal does not relieve the parent/guardian from any financial obligation they may have with DCA.

**Late Enrollment:** For students enrolling between July 1, 2024 and August 8, 2024, monthly tuition will be distributed over 9 months (September 2024 - April 2025).

**Mid-Term Admission:** When a student is granted admission after the first day of school, the tuition is based upon the quarters the student will be in attendance at DCA, per administrative approval. Remaining balance will be divided equally between the months remaining in the billing year (July 2024 - April 2025).

### Financial Responsibility

Upon enrollment, all families agree to the tuition terms in the enrollment agreement. It is the obligation of the financially responsible party to comply with tuition payment dates, terms and conditions and stay current throughout the

course of the year. Non-payment of tuition or fees constitutes a serious breach in the parent/guardian obligation to the school.

### Non-Payment of Tuition or Fees

All accounts are collected via ACH according to the FACTS Financial agreements.

In the event of a failed ACH payment, families are given a 10-day grace period to bring their account current, after which a \$50 late fee will be assessed to the account.

Failure to pay scheduled tuition payments within 30 days may result in a suspension and/or loss of participation privileges in school activities until the account is brought current.

- Accounts that are unsettled after 60 days are subject to being sent to collections, which could negatively impact the financially responsible party's credit.
- Students with accounts that are over 60 days delinquent may be subject to permanent dismissal from the school.
- Re-admission will not be permitted until the student's account is brought current.
- Graduating senior financial obligations must be met by May 1st of their senior year to be eligible to participate in senior activities, graduation, and receive a diploma.
- Report cards and/or diplomas may be withheld due to delinquent accounts.

Please direct all tuition payment inquiries to the Tuition/Billing Office at 916-866-7676.

### ACADEMIC INFORMATION

Academic records and progress towards graduation are kept in FACTS. Specific grade information as regards to progress reports, report cards, semester grades, grading policies, academic probation are as follows.

### Progress Reports/Quarter Grades

At the end of every quarter, a report card with letter (number for K-2) grades indicating the student's final quarter grade will be sent via email. Progress reports will be emailed at the midpoint of the quarter for all students. For 6-8, only the semester grades are recorded on the student's transcript and are considered official grades. Because K-5 students do not take final exams, they do not have semester grades; therefore, quarter grades for K-5 are considered official grades. Parent/Teacher Conferences take place in the fall for all K-12 families following the first quarter report card.

### Citizenship

K-5 Citizenship grades are provided quarterly for each student. Students can earn Excellent (E), Good (G), Satisfactory (S), or Needs Improvement (NI). Criteria includes area such as responsibility, respect, self-control, participation, etc.

### Semester Grades

Semester grades for 6-8 are an evaluation of the student's work completed for an entire 18-week period. A semester grade is calculated with each quarter of a semester representing 45% of the semester grade which also includes an exam grade of 10%. These grades are issued at the end of the second and fourth quarters. Student credits and grade point averages are based on their semester grades. Semester grades are emailed to parents at the conclusion of the fall and spring semesters.

### Grading Policy

The following is an explanation of standard academic grades used in all courses for K-2nd grade.

Standards-Based Grading Scale for K-2 (and K-5 Specials classes):

Grades are a recognition of performance (not effort) in accordance with measurement of the standards assessed for each subject.

- 1 = Below standard
- 2 = Approaching standard
- 3 = Meets standard
- 4 = Above standard (above grade level)

- 1-indicates that a student is substantially below grade level in the measured standards of a given subject. Remediation is likely needed in order for the student to close any existing (and potentially widening) gaps.
- 2-indicates that a student is approaching grade level in the measured standards of a given subject; however, he/she has not yet demonstrated proficiency in those standards. Depending on the longevity of the 2 in a given subject, it is possible that various levels of accommodation may be needed in order for the student to close any existing gaps.
- 3-indicates that a student has achieved a grade-level performance in the measured standards of a given subject. This is the targeted range of performance for student achievement.
- 4-indicates that a student has performed beyond the expectations for their grade level and has demonstrated mastery of standards from the next grade level or beyond.

**A Note About 4s:** A 4 is rare and not to be expected in most cases. A 4 indicates that the student has mastered standards from the following grade level in that particular subject. Only certain subjects allow for teachers to assess standards beyond the current grade level (ex: reading, writing, math). Students who do receive a 4 commonly move down later to a 3 as they gradually progress at a more typical rate.

The following is an explanation of standard academic grades used in all courses for 3rd-8th grade.

### A - 90% - 100%

Mastery of core content as exhibited by (may include but not limited to) assessments, projects, daily work, participation, critical thinking and analysis, application of learning to new situations, regular attendance.

### B - 80% - 89%

A high level of competency as exhibited by (may include but not limited to) assessments, projects, daily work, participation, critical thinking and analysis, application of learning to new situations, regular attendance.

### C - 70% - 79%

An adequate comprehension of core content, regular attendance.

### D - 60% - 69%

Minimum performance to receive credit for course, limited understanding of core content, does not meet competency. Attendance may affect grade.

### F - 59% and below

Fails to meet minimum competency of core content. Attendance may affect grade.

### **I - Incomplete**

Work must be made up within two (2) weeks after report cards are distributed or the incomplete work becomes a zero. In the event of a medical issue, the administration will work with the family to resolve what the best plan is to make up the needed work.

While individual grading policies may differ, all courses use the above standards. Each teacher establishes a grading policy consistent with departmental and school policies for his/her classes that will be explained to the students at the beginning of the semester. It is the responsibility of the student to be aware of all course policies and requirements. Should a parent or student wish to review a specific policy for a course, the individual teacher should be contacted.

### **Late Enrollment**

Students who enroll late are responsible for content missed for that quarter. Arrangements will be made with the teacher(s) for necessary material during the quarter.

### **Disputed Grades**

Students or parents who have a question regarding a grade should first attempt to resolve the issue with the teacher. The request for a grade review must be made within one month of the final grade being issued. If the dispute is not resolved, the teacher and/or student/parent/guardian may appeal to a school administrator for further review. If necessary, the DCA administration may call a meeting of all parties concerned for a final resolution of the disputed grade.

### **Replacement Grade**

When a student retakes due to having previously earned a “D” or an “F”, the grade point average (GPA) will be recalculated using only the passing grade (if achieved); however, both the passing and failing grades will continue to be reflected on the student transcript.

### **Make-Up Work**

Students are expected to make up any work missed due to an absence or tardy. Students have the same number of days as they were absent to make up work. For example, if a student were absent for two (2) days, he/she would have the next two school days upon returning to make up that work. If students were absent on a quiz or test day, they will be expected to make up the respective assessment on the day they return to school, unless special arrangements have been made with the teacher/administration. It is the student’s responsibility to arrange with teachers to complete all make-up work. Papers, projects, and tests assigned before

the student’s absence must be turned in the day the student returns to class. Special circumstances may be arranged with the teacher. Failure to make up work in the allotted timeframe will result in a zero for that assignment. Refer to individual teachers’ syllabi for specific class policies.

### **Academic Probation**

A student is placed on academic probation when the student’s GPA is lower than 2.0 for a quarter. The student will remain on academic probation until the GPA is at or above 2.0 for a full quarter. If the student’s GPA remains below 2.0 for two consecutive quarters, he/she may be asked to withdraw from the school. A notification will be sent home informing the parents of the probation, and a parent meeting may be scheduled. The student will be required to follow the established academic plan.

### **Ineligibility**

Students failing to achieve a non-weighted 2.0 GPA at the conclusion of the next quarter report card while on academic probation will automatically be disqualified from participation in co-curricular activities, (i.e., athletics, clubs, drama productions, ASB, and other student activities), for the following quarter. Individual activities may have more stringent eligibility requirements.

### **Homework**

All work at DCA is designed to strengthen academic skills, reinforce concepts learned in class, and allow students to develop stronger study habits. As such, homework is an independent activity to be accomplished outside of the school day. Homework is not limited solely to written work; it also includes reading, studying, preparation for assessments, and projects.

At times, work that is not completed in class may become homework, which is to be an independent activity accomplished outside of the school day. Homework is not solely limited to written work; it also includes reading, studying, preparation for assessments, and projects. At the K-5 level, DCA utilizes “Give-Me-Ten,” which requires students to read and practice basic math skills for a minimum of ten minutes each, five of the seven days per week. At the beginning of the year, teachers provide tools to use and activity ideas regarding “Give-Me-Ten.”

### **Summer School/Outside Classes**

All classes taken outside of DCA 6-8 will need to have approval from school administration.

### **Schedule Changes**

During the first ten (10) school days of the semester in which a year-long course begins, a 6-8 student may drop or add courses without academic penalty. Requests for a schedule change can be made through email to DCA K-8 administration. Changes will be made if scheduling allows, the class is not full, and it does not negatively impact the student’s promotion credits. Only in exceptional cases with duly qualifying circumstances will approval be granted for the dropping of courses after the official deadline. All exceptional cases of changes must be approved by an administrator.

### **Transcripts**

Within FACTS, a cumulative record of all course work, grades, and credits are available from each transcript once semester grades are posted. When a student transfers to/from another school, his/her cumulative record file is sent to the new school upon written request from the new school. This includes transcripts and any withdrawal grades at the time of the withdrawal.

Unofficial transcripts for any student can be requested by emailing the Registrar ([registrar@dacasac.org](mailto:registrar@dacasac.org)). All financial obligations must be met with DCA before a final transcript will be released to the student and/or parents/guardians.

### **MLA**

The Modern Language Association (MLA) is the used format for writing papers and documenting sources at DCA K-8. Students should be made aware of this format and should use this format in all their classes, unless otherwise directed by their teacher.

### **Academic Integrity Policy**

Academic Integrity is the pursuit of learning conducted in a fair and ethical manner. Teachers, students, administrators, and parents share responsibility for creating an environment in which academic integrity is expected.

Students are expected to conduct themselves honestly and with integrity in their work. All forms of test procedure violations, cheating, and plagiarism are prohibited. Behavior that is unacceptable includes, but is not limited to the following:

- copying another student’s homework;
- working with others on projects that are meant to be done individually;
- looking at or copying another student’s test or quiz answers;

- allowing another student to look at or copy homework or answers from one’s test or quiz;
- using any other method to get or give test or quiz answers;
- taking a test or quiz in part or in whole to use or to give to others;
- copying information from a source without proper reference or attribution,
- misrepresenting as one’s own, either in whole or in part, papers from other students, publications, or the internet; and
- using AI unless otherwise directed by their teacher. (Please refer to the AUP for additional information)

Violations of this policy will be disciplined on a case-by-case basis depending on the severity of the violation, prior violations, and other factors, as determined by the school administrator and the teacher(s) involved. Disciplinary measures include, but are not limited to, receiving a zero on a particular assignment, redoing an assignment or retaking a test, receiving a failing grade on the assignment, project, or test; receiving a lower overall grade in the class; detention, suspension, or dismissal. All incidents of academic dishonesty are recorded and tracked by the office. Repeated violations are cause for serious consequences including suspension and dismissal.

### **Honor Roll and Awards**

#### **Honor Roll**

At the completion of each semester, a list of students who have achieved academic distinction will be recognized. The registrar will examine each semester’s Grade Point Average (GPA) for eligibility. Honor Roll is based on weighted GPA.

#### **K-5**

All A’s and B’s or 3’s and 4’s

#### **6-8**

Academic Superiority – 4.0 and above

High Honor Roll – 3.5 to 3.9

#### **6-8 Subject Awards**

Teachers in each department of grades 6-8 will select a student who is the most outstanding in their subject. Each department will decide the criteria for recipients.

#### **Outstanding 8th Grade Student Award**

This award will be given to an 8th grade student who is voted by the faculty and administration as the most

outstanding in academics, spiritual life, school spirit, and citizenship. The recipient must be returning to DCA K-8 the following year, and will receive a certificate and a \$750 tuition scholarship. The student's name is added to the plaque that is on display in the school office.

#### **K-5 Lion Award**

Students will be honored for their superior citizenship displayed during each semester. To receive the Lion Award, students must have only Excellent (E) and Good (G) rankings on their report card under the citizenship section.

#### **Character Awards**

Students will be honored for their Christian Character that they have displayed during the school year. These awards are based upon Biblical character qualities and will be issued by the Character Awards Committee at a special chapel through the following procedure:

- Students will nominate their peers.
- Teacher and staff vote on the nominees.
- Administrative approval.

#### **6-8 Athlete of the Year**

- Must be eligible for the entire season of every sport involved in.
- Should play on a minimum of two athletic teams.
- Must have a minimum of a 2.5 GPA (during the current year).
- Must have a minimum of "Satisfactory" in conduct (during the current year).

#### **8th Grade Promotion Activities**

8th Grade Promotion Ceremony Requirements:

To qualify for participation in the 8th grade promotion ceremony, a student may have no more than one failing grade at the end of either semester. If a student receives a passing grade during the second semester, after having received a failing grade first semester, he/she is able to participate in the promotion ceremony.

Students and parents will be notified no later than the 3rd quarter if students are in jeopardy of not being able to participate in promotion.

Standards of dress and conduct will be in effect for all promotion activities. Students will be informed of dress expectations during the school year. If a student receives a passing grade during the second semester, after having received a failing grade first semester, he/she is able to participate in the promotion ceremony.

#### **6-8 Grade Advancement**

In order for a student to advance from 6th/7th/8th grade, he/she must show proficiency in the required classes: Bible, English, Science, Math, Social Studies, and Physical Education. The student may not be promoted to the next grade if either of the following occurs:

- He/she receives an "F" grade for both semesters in the same required class.
- He/she fails the last semester of one or more required classes.

If a student earns below a 2.0, he/she will be placed on academic probation. In some cases, a student may be required to repeat the grade. Students must make up required classes in summer school before being promoted to the next grade. Arrangements should be made with the administration for making up failing grades over the summer. Outside options for course recovery will be provided to families.

Refer to section titled Academic Probation for more information.

#### **ATTENDANCE**

All students are to be present at school daily and to be prompt in arriving for each class. Ed Code 48200

#### **Absence Policy**

All school days are mandatory. This includes special schedule days such as, but not limited to, rally days, standardized testing, and Spiritual Emphasis week.

Excessive absences can affect a student's academic standing and their ability to participate in co-curricular activities. All absences (non-school related) will count in absence totals for attendance monitoring and academic credit. Twelve (12) or more absences in a class per semester, may lead a loss of all

credit for the course. Six (6) absences, in a class, equals two weeks of school in an individual class.

Students who accumulate six (6) or more absences per class per semester may be placed on an attendance contract if a pattern of absences continues. Once a student is placed on an attendance contract, the student risks the loss of extracurricular privileges, credit loss, suspension, or expulsion from school.

Appointments, if possible, should be made before class, after school, or on non-school days. If a medical appointment must be made during class time, we ask that parents/guardians provide a copy of the medical note.

#### **Prolonged Absences - Students in Crisis**

If a student is expected to be absent for a prolonged period due to illness, surgery, family emergency, etc., the parent/guardian must contact school administration as well as the attendance office. DCA K-8 will make a reasonable effort to offer special accommodations to students who have short-term issues that affect their attendance and academic performance.

#### **Reporting Absences**

When a student is absent from school, parents/guardians are required to call the attendance office before 9:00 a.m. each day the student is absent. If a parent/guardian does not contact the school, the absence is considered unexcused until a parent contacts the attendance office to clear the absence within 3 school days.

Be prepared to give the following information:

- Name of the absent student please clearly spell the last name
- Specific explanation for the absence e.g. (illness, injury, legal, etc.)
- Your name and relationship to the student

#### **Truancy Policy**

DCA K-8 will not incur the liability associated with truancy. Truancy is defined as any non-pre-authorized or unauthorized absence(s), leaving school grounds and/or cutting one or more classes without permission even if the student does not leave campus. Once students arrive on campus property, they may not leave. Truancy will result in the notification of parents and possible detention, suspension, or dismissal.

#### **Early Dismissal Policy**

Every effort should be made to make appointments outside of the school day. If an appointment must be made during school time, it is requested the following information be communicated to the attendance office at the start of the school day:

- Student first and last name
- Reason for early dismissal
- Current date
- Parent Signature
- Date(s)/Time of early dismissal
- Contact telephone number

Students may not leave campus without written parental permission. All requests for early dismissal for a student driver must be made in writing or by emailing the attendance email.

#### **Attendance Requirements for Athletic, Curricular, and Co-Curricular Activities**

To be eligible to participate in interscholastic athletic practices and contests, and/or co-curricular activities on school days, a student must have attended at least one-half of the class periods for that day, unless approved by the DCA 6-8 administration.

#### **Tardy Policy**

Instructional minutes are vital to the academic success of our students. Students are expected to be in their classroom when the bell rings. If the student arrives after the start of school, 8:20 am, they must check in at the office and receive a tardy slip to enter class. For all other periods, once attendance is taken, students may be sent to the Attendance Office to be admitted into class (attendance should be taken within the first 5 minutes of class). If a student has missed half of any given period, the tardy may be considered an absence for the class and count toward the 12 absences total. Examples of excused tardies upon arrival to school: Illness with a parent note indicating such. Family emergency with a parent note explaining the circumstance.

Medical visit when an appointment verification or parent note is provided.

Students will be allowed four (4) tardies per quarter; any tardy after that will result in detention. Students who reach ten (10) tardies total in one quarter may be assigned multiple RAP sessions. Students who reach fifteen (15) tardies in one quarter may be assigned one day of in-house suspension for

their 15th tardy. If the reason for a tardy is due to a verified medical condition, the student will not be disciplined; however, communication with with administration is critical.

## STUDENT LIFE

### Statement of Conduct

As a student, you must recognize that your conduct is a reflection on the testimony of the Lord, DCA K-8, your family, as well as yourself. As a student at DCA K-8, by signing a contract to attend DCA, you have agreed to live within the rules of the school. The agreement is a commitment that you will govern yourself and abide by the school rules with a willing attitude.   - A student having another student do work for him/her.
  - Forgery of any signature may result in immediate suspension.
  - Plagiarism (See Academic Integrity policy.)

### Classroom Environment

To maintain a classroom environment that allows for maximum learning, teachers establish those standards (i.e., classroom rules) they deem necessary. However, the following standards are for all classes:

- Students must always demonstrate respect for and cooperation with teachers.
- Students will be on time to each class and prepared with the necessary materials and mental attitude which indicates a readiness to learn.
- Communication of any kind between students, which is disruptive to the teacher or classmates, is unacceptable (including but not limited to text messaging, email, etc.).

- Students may not be in classrooms or offices unless a teacher or staff member is present. Students must respect the teacher's area (desk, work area) and belongings (briefcase, grade book, computer, etc.)

### Extra/Co-Curricular Activities

DCA K-8 offers a variety of activities for any student who wishes to get involved. Team sports for both boys and girls are offered, along with musicals, ASB, the California Junior Scholarship Federation, and more. Various clubs may be offered based on student interest and sponsor availability.

### Eligibility for Co-Curricular Activities

Participation in any activity or program must be earned by the student through the maintenance of acceptable scholastic standards and consistent punctuality, as well as praise-worthy conduct both in the classroom and as a representative of the school to the community.

### Attendance Requirements

In order to participate in extracurricular activities, students must be at school for at least half of the school day which is defined as at least two (2) blocks on a block day or four (4) periods on a 7-period day. This requirement may be waived in very special circumstances by administrative review.

### Scholastic Eligibility

To be eligible, all students entering DCA HS must have achieved 2.0 GPA on a 4.0 scale with no more than one F in enrolled courses at the conclusion of the previous grading period. If an extenuating circumstance warrants a student entering DCA HS below a 2.0, they may enter on academic probation. To continue scholastic eligibility, a DCS HS student must meet these criteria: 1) Student is currently enrolled in 7 classes (Freshman – Junior years) or at least 5 semester classes (Senior year, upon approval only) at DCA HS, and 2) Student passed at least 5 of these classes at the completion of the regular grading period.

### Athletics

DCA utilizes its athletic programs by teaching valuable life skills as well as health and wellness through a variety of sports offerings. Discipleship in the Christian faith is at the core of our athletic vision. We strive to develop, inspire, and equip our student-athletes to maximize the blessing of their God-given talents while developing character through competition. We compete to win while recognizing our prize is eternal.

Participation on athletic teams is a privilege extended to meet the interests of students. The right to participate in these teams must be earned by the student through the maintenance of acceptable scholastic standards as well as praise-worthy conduct within the classroom and on the playing field.

Participation requirements include a recent physical examination, parental approval, acceptable scholastic and behavioral standing, and payment of any required fees. If a student becomes academically ineligible, quits, or is removed from a team during a season, he/she may not try-out or participate in the next season of sport until the prior season is completed. Any student being temporarily removed from a team by someone other than the school administration or head coach must first get prior written approval from the coach and the Athletic Director.

If temporary removal is approved, a return date will be set and must be adhered to for the student to be allowed back on the team. Temporary removal shall last no longer than five school days and may not be used more than one time per season. A student/athlete may not drop a sport and transfer to another sport or extra-curricular activity in the same season.

Please note: Any individuals/teams advancing to the playoffs must participate in and attend the athletic event. Any conflicting non-academic, extra-curricular activity does not qualify as excused absence from event.

Refer to Scholastic Eligibility Requirements

### Athletic Awards

- Male and Female Athlete of the Year: This award is given to the student athlete who excels at the highest level of their sport or sports for the given school year. A qualified student may be removed from these considerations if the discipline and academic record of the student is deemed unsatisfactory by administration.

### Associated Student Body (ASB)

The student body of DCA K-5 and 6-8 has an active ASB. The council is comprised of elected officers and appointed representatives. The 6-8 ASB class meets during zero period to discuss and resolve issues related to the school's spiritual life, student body projects, recreational and social activities. K-5 meetings are set by the ASB advisors and will be communicated to students and families via email and other forms of communication.

### Officers

The ASB includes the following elected positions: President, Vice President, Secretary, Spiritual Life Representative, Rally Coordinator, Grade Level Representatives, and Class Representatives. Other positions may be added by the ASB Advisors with Administrative approval.

### Elections

Prospective candidates can obtain petitions and student government leadership requirement and teacher qualification forms from the ASB advisor or the DCA K-8 administration. Campaign procedures and recommendation forms are predetermined. Elections for the position of ASB leadership are held in the spring, and individual K-5 & 6-8 class representatives are elected during the first month of school.

### California Junior Scholarship Federation (CJSF)

DCA 6-8 is a member of the California Junior Scholarship Federation. The purpose of the chapter is to foster high standards of leadership, scholarship, service, and citizenship on the part of the 6-8 students and to promote appropriate activities among its members as they use their skills to help others.

A student must apply for membership during an enrollment period at the beginning of each semester, must be a worthy school citizen, must have no grades lower than "C" in the previous semester, and must have a minimum of twelve points in designated subjects (A=3, B=1, C=0).

Membership is for one semester only and can be renewed each semester the student meets the requirements. CJSF may change the point system and/or requirements without notice. DCA 6-8 will use the current CJSF requirements established by CJSF for student membership.

### STUDENT DISCIPLINE

The writer of Hebrews tells us "No discipline seems pleasant at the time, but painful. Later, however, it produces a harvest

of righteousness and peace for those who have been trained by it" (Hebrews 12:11). In order to produce this harvest, DCA K-8 has developed a program of disciplinary action. In addition to many disciplinary tools that our teachers/staff may use in the classroom on an intermediary basis, at times, more intervention is necessary.

### Disciplinary Consequences

DCA K-8 reserves the right to discipline students at any time for violations of the Standards of Conduct whether on campus or off campus, or other reasons that affect the welfare of the individual student, the school community, or the school's reputation. DCA K-8 is not required to follow progressive steps of discipline; a student may receive higher level consequences on the first, based on the nature of misconduct.

### Righteousness and Peace (RAP)

The term RAP is an acronym for "Righteousness and Peace" derived from Hebrews 12:11 and refers to disciplinary consequences assessed at DCA. When a student receives a RAP, it is typically assigned by administration.

### Teacher's RAP

Teachers may choose to hold RAP for students in their rooms at break, lunch, or after school as a means of correcting behavior or to deal with academic issues. This level of RAP will not exceed thirty (30) minutes and will not interfere with any before or after-school commitments. Should a student not attend, they may be referred to administration for further consequences.

### Lunchtime RAP

Minor academic or behavior issues and first offense dress code violations may result in lunchtime RAP. Students are required to perform campus clean-up in the cafeteria, or on school grounds. Lunch RAP is the last ten (10) minutes of the lunch period. Failure to report for duty may result in further multiple lunchtime RAP sessions and/or after-school RAP.

### After School RAP

Student behavior and multiple tardies may result in after school RAP, which begins ten (10) minutes after the last school bell Monday through Thursday and lasts approximately forty-five (45) minutes. Any conflicts with attendance to RAP need to be approved by administration prior to the start of RAP. A one-day grace period may be allowed to arrange rides, co-curricular or other after-school activities and responsibilities. Missed RAP sessions will be

noted and addressed with additional RAP session. RAP may consist of reflection writing assignments and/or tasks performed to support the school community. DCA 6-8 will send an email notification to parents about their students after-school RAP sessions.

### Behavioral Contracts/Disciplinary Probation

Students violating the Standards of Conduct may be placed on a behavioral contract and are then considered on Disciplinary Probation. The DCA administration will determine the length of probation, and a probationary contract may restrict participation in or attendance at school-related activities. The contract will also set forth expected outcomes and terms to which the student must adhere during the probationary period.

### Suspension

A suspension is a measure of discipline in which the student is not permitted to attend school, school functions, games,

athletic practice, or be on the school grounds during or after school hours for one (1) to five (5) days.

A student may be suspended from school for violating the Standard of Conduct on or off campus. The student's parents will be notified of all suspensions. Records of suspension(s) will be kept in the student's electronic disciplinary file. Upon returning from suspension, a behavior contract may be implemented.

### In-School Suspension (ISS)

ISS is for the entire school day and is made up of character development and academics. The students will be supervised by an assigned staff member during the school day and will not attend any classes or go out for break. The student will eat lunch in an assigned room away from his/her peers. Additionally, students will be responsible for making up all classwork and homework for the day.

### Dismissal

A student may be dismissed from DCA K-8 for any serious offense that is a violation of the Standards of Conduct. Dismissal is at the discretion of the principal in consultation with the administrative team and will be noted on the student's records and reported accordingly. The option to withdraw prior to dismissal may be granted. The student and his/her parents may submit an appeal in writing to administration.

Dismissed students are prohibited from being on the DCA campus at any time unless prior approval has been granted by the administration.

### Restorative Principles

Our goal is to restore the heart and confidence of the individual who was negatively affected by working together in a collaborative way; we believe effective collaboration can also bring accountability to those who created the harm. We believe that something good can be learned out of harmful situations beyond simply assigning blame and administering punishment. We want to provide families and the school community with a redemptive way forward than through typical cycles of retaliation and retribution. We believe in the resiliency and goodness of our students and families and want to teach them how to resolve conflict in a Godly manner.

### Searches

The school administration, with reasonable suspicion, has the right to conduct a search of a student and the physical plant and grounds of the school. This includes lockers, book bags, cellular telephones and personal technology, and devices. Parents/guardians will be notified following a search regardless of the outcome.

The administration reserves the right to search any student's locker without notice when the general good of the school community is in question and/or at the discretion of DCA K-8 administration.

DCA K-8 reserves the right to employ professional detection services to further protect the community. This service may perform random searches of the school and student bags and belongings per arrangements made directly with the company.

### Required Testing for Substance Abuse

Students enrolled at DCA K-8 may be required to be tested for use of a controlled substance and/or mood-altering substance. Parents will be notified. A student will not be allowed to return to school if his/her parent(s) refuse to allow the student to be tested. Any tampering of the collections sample will be considered a positive test. Students with a positive test result will be subject to the school's disciplinary policies. All fees associated with drug testing will be the responsibility of the parent/guardian.

### Social Media Policy

The social media policy located in the Acceptable Use Policy (AUP) applies to all students of DCA K-8 in their use of the internet, social media, and electronic communications, regardless of whether that use is through devices and resources of DCA K-8 or any other devices or resources.

### DRESS CODE

#### Expectation

Parents or guardians of students at DCA K-8 have the primary responsibility for implementing appropriate standards of dress and grooming/hygiene in their home. In partnering with parents or guardians, DCA K-8 acknowledges the responsibility to establish and maintain a standard of dress and grooming/hygiene that facilitates a positive, successful learning and teaching environment.

Clothing that is immodest, distracting, dangerous or profane or is offensive to individuals or a group is considered

inappropriate for a school setting. This standard of appearance extends to accessories, hair, extreme jewelry, political messaging, and/or body markings. While the following standards are not intended to be all-encompassing, administrators have the responsibility and authority to apply these general guidelines when confronted with questionable appearance not covered specifically. - Blue jean pants must be neat, modest, and appropriately sized with no holes and must have belt loops and pockets. Belts are recommended.

### Other Dress Days

- Administration may announce any other special dress day, including Spirit Week. Dress code may vary on these days and will be announced with the schedule.

- School-sponsored events, both on and off campus, require that both boys and girls wear modestly designed and appropriately fitted clothing.

### Dress Code Violations

Teachers and administrators actively monitor and enforce student dress code. Students unable to correct a violation in the classroom will be sent to the office where they will either be loaned school attire, or their parents will be called to bring the proper attire to campus.

In addition to the above, if a student is not compliant with the dress code, he/she would likely face the following consequences:

1st Offense - Change of uniform, warning

2nd Offense - Change of uniform, and contact parent/guardian

3rd Offense - Change of uniform, After-School Detention

4th Offense - Change of uniform, 3 days' Detention, parent/guardian meeting, and behavioral contract, which may contain additional measures of discipline up to and including suspension.

Dress Code offenses may result in students being sent home or serving a day of in-house suspension at the discretion of the school administration.

## CAMPUS OPERATION

### Closed Campus Policy

DCA K-8 operates under a closed campus policy. All students must sign in or out at the school office if arriving or leaving after school is in session. The rules governing the closed campus are as follows:

### Lunch

Food may not be delivered to the school for the students through restaurants or any food delivery services (i.e., DoorDash, Uber Eats, etc.).

### Cafeteria

FLIK is the onsite cafeteria service at DCA, providing nutritious and age-appropriate food options for all DCA students.

DCA uses MySchool Bucks (MSB) for the purpose of purchasing school lunches. All students are expected to maintain a positive balance at all times. If a student carries a negative balance, the student will be unable to utilize the cafeteria services. It is strongly encouraged that parents/guardians setup student's MSB as auto deposit. Any negative balance from MSB will be transferred to the student's FACTS Tuition account at the end of each semester.

If a student withdraws during the school year, any negative balance will be transferred to their FACTS Tuition account. Any positive balance will be refunded except for a balancing owing on the tuition account. Therefore, the credit balance from MSB will be applied to any outstanding tuition balance.

### Early Dismissals

- Permission to leave campus at any time may be secured from the school office if a student has a written note from a parent/guardian or any adult listed on the emergency card. This permission is called an "early dismissal." When contacting the office to arrange for an early dismissal, identification will be verified from information on the student's emergency card.
- If a student becomes ill at school, a teacher will give the student a pass to the office. If a student needs to go home, an administrative assistant in the school office will help with the arrangements to leave. Parental permission must be given for a student to leave before the school day ends.
- A written note or email from the parent/guardian must be provided indicating permission to leave campus with another student.

### On-campus Visitors

All visitors must obtain a Visitor's Pass from the school office. Students are to notify staff of anyone not enrolled at DCA K-8 and not part of the staff who are not wearing a Visitor's Pass immediately.

### Emergency Health Procedures

- The school office offers immediate first aid to all injured or ill students.
- If a student is injured on campus, the student should report this injury to a teacher or staff member. An Accident Report will be filled out by a staff member.
- Insurance claims should be submitted to your primary carrier. All accidents must be immediately reported to the school office. An accident form will be filled out by the person in charge. Please note, the school does not provide student insurance as a secondary carrier to your primary family insurance.
- If a student becomes ill during school hours, he/she should request a pass from his/her teacher to the school office. Parents/guardians will be notified of all students who leave class due to illness.
- Any student having a temperature of 100 degrees should not come to school. If a student arrives to school with a temperature of 100 degrees, he/she will be required to leave.
- It is routine policy to require parents/guardians to pick up their child when their temperature reaches/exceeds 100 degrees or when the child is vomiting and/or is unable to function normally at school. The child cannot return to school until a 24-hour period has passed without recurrence of a fever, vomiting or diarrhea.
- If a student is advised to leave campus, the parent or

emergency contact will meet and check out the student at the DCA K-8 office. The sign out sheet must be completed by the person picking up the ill or injured student. Students will only be released to parents and/or adults listed on their emergency cards.

### Medication

DCA K-8 requires parents/guardians to make arrangements with the school office to administer ALL medications (including those sold over the counter) that are brought to the school.

**A PARENT/GUARDIANS MUST COMPLETE A MEDICATION RELEASE FORM BEFORE THE MEDICINE CAN BE ADMINISTERED.**

Medicine may be given by the designated school personnel. Medications are NOT to be kept with the student (i.e., in lunch box, backpack, etc.)

Medication must be brought to school in its original container.

Prescription medication that will be given longer than TWO WEEKS requires a physician's signature on the MEDICATION RELEASE FORM.

### Chapel

Chapel is a vital part of campus life at DCA HS. It's an opportunity for students to develop their understanding of the Bible and learn how to be a strong and faithful Christian. Students will hear outstanding speakers and be invited to worship alongside other students.

We ask that our students demonstrate honor and courtesy to all guest speakers by listening carefully and behaving properly. Student's attitude toward the speaker should be respectful and attentive. Although note taking is not required during chapel, it is a good practice and shows active interest and participation.

At no time will studying or doing homework be allowed. There is to be no unnecessary talking, disturbance, or distracting others. As a courtesy to others, use the restroom during the other times of the day unless it is of urgency.

No food or drinks are allowed during Chapel. Students are expected to bring their Bible.

### Emergency Drills (Fire/Evacuation/Disaster/Lockdown)

It is required by law that the school conduct emergency drills. In keeping with recommended civil defense procedure, disaster drills, and intruder drills will also be conducted. Students are expected to become familiar with these instructions so that all drills can be conducted with minimal of confusion.

### Lockers

Students are issued lockers at the beginning of each year. Students are responsible to report locker problems to the office immediately so the student may be issued a new locker. All lockers should always be kept locked. Students are to keep appropriate items in their lockers. Items left outside the lockers will be placed in the Lost and Found. The school is not responsible for loss from lockers. Tampering with another student's locker will be considered a serious breach of school rules. Any damage to a student's locker may result in the student being responsible for repairs.

### Lost & Found

All articles found on the school grounds should be turned into the Lost & Found in the Cub Den/A-24 (K-5) for the Lion's Den (6-8). Unclaimed items will be donated to a charitable organization at Christmas break and end of the year.

### Personal Property

DCA will not replace lost/stolen articles or make reimbursement for lost/stolen articles. Students and their parents are responsible for damaged property (personal, school, or church), whether damage was willful or accidental.

### Telephone

Students needing to use a phone to call home may ask at the DCA K-8 Office.

### Photography Release

Activities in and around the DCA campus are often photographed and/or videotaped. When enrolling your

children in our school, parents/guardians have the option to release DCA, to photograph and/or record them while participating in daily activities and to use the photographs and/or video in displays, other publications, or video promotions showing these daily activities.

Students should plan to use restrooms during non-instruction time (i.e. before school, after school, break, recess, or lunch). Please notify the office immediately if there is any supply needs or service that is required for the restrooms.

Student restrooms, locker rooms, and showers that are designated for one biological sex shall only be used by members of that biological sex. In any other school facilities or settings where a student may be in a state of undress in the presence of other students (that is, changing costumes during school theatrical productions, etc.), school personnel shall provide separate, private areas designated for use by students according to their biological sex.

#### **Curriculum**

K-5 curriculum at DCA is provided by the school. If a student withdraws at any point during the school year, the curriculum is to be returned to the school, as it is the property of DCA (this includes consumable materials).

An annual curriculum fee is assessed at the start of the year through FACTS. DCA is a 1:1 Bring-Your-Own-Device campus for students in grades 7-12. Students also have a school email beginning in 3rd grade and access to Google Workspace for Education, both hosted by Google.
